SUBJECT: Support Provided to [redacted] By The
Operations Center

25X1A

1. [redacted] the Executive Director to the DCI, called the Operations Center long distance from Dallas where he was preparing part of the DCI's briefing for former President Johnson. [redacted] requested answers to the following questions:

25X1A

- A. The three charges against the Chinese which Brezhnev leveled in his 7 June speech (answer in CIB of 9 June).
- B. Dates of official protest notes on the border issue exchanged by Peking and Moscow (answer obtained from folder in [redacted] desk and from [redacted]).
- C. Dates of major Sino-Soviet military incidents (same sources).
- D. Current troop figures along the Sino-Soviet border (IM No. [redacted] 12 June 1969, "Military Activities on the Sino-Soviet Border")
- E. Vietnam war casualty figures--totals and by month from 1 January (weekly from 1 May)--for US, ARVN, and VC/NVA. (Provided by NMCC)
- F. Estimated enemy infiltration from North Vietnam since 1 January in comparison with other six month periods since the last half of 1967. (answer from [redacted])

2. [redacted] also requested me to read portions of the IM "Military Activities on the Sino-Soviet Border" to him. He said that he would call the Operations Center between 0800-0900 hours this morning to be brought up to date on significant overnight developments. He specifically mentioned that the DCI would be interested in any new and significant development on Rockefeller's trip, the Middle East, and Vietnam.
